

UP THE CREEK LADIES CONSIGNMENT BOUTIQUE

VENDOR CONTRACT

A VENDOR is someone who creates, designs, paints, and/or builds products for a store. We look for Vendors who create items that will fit well within our store and can be seamlessly added to many different displays. A Vendor's product should relate to women as this is a ladies consignment boutique.

Our Vendors are responsible for checking their accounts online and as their items sell down they need to make arrangements to bring in more inventory. Vendors need to make **appointments** before coming in.

Vendors are paid monthly on the 5th of every month for the previous month's sales. If you would like a check mailed to you please provide a SASE.

We offer the Vendors a 30/70 split with you the Vendor receiving 70% of your proceeds. Please keep this in mind when working out prices for your products. We do charge a \$2 fee monthly for the online account. If you don't sell anything in a month we will waive the fee.

If you don't sell anything in 2 months or more we reserve the right to have you pull your products out as they might not be a good fit for our store. Or we can discuss pricing strategies to help you move your product.

We like you to have a name for your "business" so that we can promote you online through FB, our Website, and Shopify.

There may be a time that we might like to have you come in and be a part of a First Friday event so that you can talk to customers about your products. Customers like to have a face to go with the products and it makes it more personable. Let us know if this interests you!
